

**Suzanne Cory High School
Uniform Policy
2016**

A distinctive school uniform fosters a sense of belonging and pride in the school. Students in uniform positively represent the school in the wider community. A school uniform allows students to be identified as equal members of the school community. The school uniform represents our school values. The school is committed to a high standard of dress and in the appearance of our students.

We require the cooperation and support of parents and guardians in ensuring that students wear their uniform in a manner that will bring credit to themselves, their families and our school.

The school uniform will make allowance for cultural difference and provide some alternatives for individual preference. The uniform requirements are clearly defined in the Student Study Planner and made available to parents and prospective students.

School Uniform

---	--

The Sport Uniform is only worn for sporting events and physical education classes.

When to wear the uniform?

The school uniform, both summer and winter, is to be worn to and from school each day.
The sport uniform is not to be worn to and from school.

School Blazer

Wearing of the blazer is compulsory everyday during Terms 2 & 3 (with the Winter Uniform).
During Terms 1 & 4 the Blazer is compulsory ONLY when students have assembly, are at official events or on excursions.

When travelling to and from school, the school blazer is the only permissible outer garment that can be worn, except in the following situations:

- in winter, the waterproof parka can be worn on top of the blazer for additional warmth
- during Terms 1 & 4, students can wear their summer uniform without the blazer. The school jumper or vest cannot however be the outer garment.

Year 12 Top

The Year 12 top is to be approved by School Council each year.
The Year 12 top must not be worn as an outer garment when travelling to and from school.

General appearance

Students need to be neat and tidy at all times. Uniforms need to be clean and in good repair and must be of an appropriate size for the student. Shoes need to be well polished.

School uniform is not to be worn in any combination with the sport uniform and 'Hoodies' or fleecy tops are not permitted at any time.

The full sport uniform is compulsory for all Physical Education and Sport activities.
Students may borrow items of both the school and sport uniforms (subject to availability) from the Middle and Senior School offices if they are unable to present to school as required in the correct uniform.

Jewellery

Jewellery should be minimal and simple and appropriate to wear with school uniform. Sleeper or stud type earrings for those who have pierced ears are acceptable. For safety reasons, the wearing of large or loose jewellery such as hoop earrings, bangles or chains is not permitted. An exception to this if required, is that a religious symbol may be worn on a chain that cannot be seen above the shirt or dress line of the school uniform.

Hair and Makeup

Hairstyles should be kept simple. Hair covering for religious reasons should be plain in colour, black, white or a school colour. If hair is long enough to touch the collar, it must be tied back during any activity or in any place where long hair poses a risk to any student. This includes situations where it is a *requirement* for health and safety to have hair tied back, such as in cooking, art, sport and science classes. Hair must not be extreme in style or colour and must be kept clean and neatly combed. It is expected that hair will be of a natural hue if hair colouring is used. Any makeup worn should be minimal or of natural hues only. Fingernails should be natural or lightly coloured and kept short for the safety of others. False nails are not to be worn.

School Shoes

Students are required to wear black leather, lace-up 'School Shoes' with the uniform. Slip-on suit shoes are not permitted for boys. Buckled or ballet-style slip-on shoes are not permitted for girls.

Sport shoes or 'runners' are to be worn with the sport uniform. Canvas or street shoes are not permitted.
